

Space Drop It privacy policy

WOLDEV S.A.S intends with this document to inform the users registered in the application, the policy carries out a process regarding the treatment of all data from Space Drop It (hereinafter the application).

What information does the application obtain and how is it used?

Information provided by the user:

The application does not require any type of registration with WOLDEV SAS own APIs, for authentication and data storage purposes that only have to do with the user's progress within the application, Google Play Games services are used through the APIs provided by Google.

WOLDEV S.A.S does not collect or store any data from such authentication and its use is completely optional.

Third party websites

Users may find advertising or other content on our Application that link to the sites and services of our partners, suppliers, advertisers, sponsors, licensors and other third parties. We do not control the content or links that appear on these sites and are not responsible for the practices employed by websites linked to or from our Application. In addition, these sites or services, including their content and links, may be constantly changing. These sites and services may have their own privacy policies and customer service policies. Browsing and interaction on any other website, including websites which have a link to our Application, is subject to that website's own terms and policies.

Advertising

Ads appearing on our application may be delivered to Users by advertising partners, who may set cookies. These cookies allow the ad server to recognize your device each time they send you an online advertisement to compile non personal identification information about you. This information allows ad networks to, among other things, deliver targeted advertisements that they believe will be of most interest to you. This privacy policy does not cover the use of cookies by any advertisers.

Google AdSense

Some of the ads may be served by Google. Google's use of the DART cookie enables it to serve ads to Users based on their use to our Application and their visit to other sites on the Internet. DART uses "non personally identifiable information" and does NOT track personal information about you, such as your name, email address, physical address, etc. You may opt out of the use of the DART cookie by visiting the Google ad and content network privacy policy at http://www.google.com/privacy_ads.html

Third Party, Services, Ads and Analytics

Ad companies may use and collect anonymous data about your interests to customize content and advertising here and in other sites and applications. Interest and location data may be linked to

your device, but is not linked to your identity. Analytics companies may access anonymous data (such as your IP address or device ID) to help us understand how our services are used. They use this data solely on our behalf. They do not share it except in aggregate form; no data is shared as to any individual user. In order to serve you, we may share your anonymous information with other companies, including vendors and contractors. Their use of information is limited to these purposes, and subject to agreements that require them to keep the information confidential. Our vendors provide assurance that they take reasonable steps to safeguard the data they hold on our behalf, although data security cannot be guaranteed.

Compliance with children's online privacy protection act

Protecting the privacy of the very young is especially important. For that reason, we never collect or maintain information at our Application from those we actually know are under 13, and no part of our website is structured to attract anyone under 13.

Information retention and management policy

WOLDEV S.A.S does not collect or retain information from the application, all data is obtained and stored through Google Play Games services and these can be deleted by the user at any time through the Google Play Games application itself. The handling and retention of this data is under the tutelage of the provider of this service (Google).

Changes

This Privacy Policy may be updated if deemed convenient. We will notify you of any changes to our privacy policy by posting the new privacy policy on this page.
